RECITALS

The University of Washington issued a Request for Quotations and Qualifications (RFQQ) Doc942862126 dated February 14, 2017 (Exhibit F) for the purpose of establishing Master Contracts for Web Site Design, Development and Support Services.

Supplier submitted a timely Response to UW's RFQQ (Exhibit G).

UW evaluated all properly submitted Responses to the above-referenced RFQQ and has identified Supplier as an apparently successful Supplier.

UW has determined that entering into a Master Contract with Supplier will meet the UW's needs and will be in the UW's best interest.
